# ABOUT COMPANY

**EnThaiSeeing Co., Ltd.** is a distinguished destination management company delivering travel experiences across Thailand. Built on strategic insight and operational precision, the company operates at the intersection of local mastery and international service standards.

With a commitment to excellence, integrity, and refined execution, EnThaiSeeing stands as a **trusted partner** for discerning travelers, corporations, and global stakeholders seeking elevated travel solutions in the **Land of Smiles**.

Guided by leadership with decades of hands-on industry experience, EnThaiSeeing curates seamless journeys through a carefully cultivated network of hospitality partners, destination specialists, and service providers nationwide. Every itinerary is designed with discretion, depth, and an uncompromising focus on quality.

## REGULATORY COMPLIANCE & INSTITUTIONAL AFFILIATION

The company functions under full authorization of Thailand's official tourism regulatory bodies and maintains active engagement with respected professional associations and industry institutions. This foundation ensures governance, credibility, and long-term sustainability in all operations.

# THE COMPANY OBJECTIVES

The company's objective is to convert strategy into measurable results through efficient planning and disciplined execution. We focus on strengthening operational performance, enhancing client experience, and building scalable systems to support long-term competitiveness in the global travel and MICE landscape.

## OUR MISSION

To build a resilient, scalable, and governance-led enterprise delivering high-value destination and corporate solutions across Thailand and strategic international markets. We focus on long-term value creation through disciplined execution, operational excellence, and strategic partnerships.

Our approach integrates risk management, compliance, and quality assurance at every level of operation, while investing in human capital, technology, and diversified tourism verticals to ensure sustainable growth and financial stability.

## OUR VISION

To emerge as a regional leader in corporate travel and MICE solutions, recognized by multinational corporations and institutional partners for reliability, transparency, and consistent delivery.

We seek to expand our presence across strategic markets through disciplined financial performance, robust governance, and operational excellence, while preserving brand integrity, client trust, and long-term value creation for our clients, travelers, and business partners.
